

# How to use canvas

*Canvas is a learning management system that displays courses to the student and instructor.*

## Sign in.

Use your netid and password to sign in to canvas.

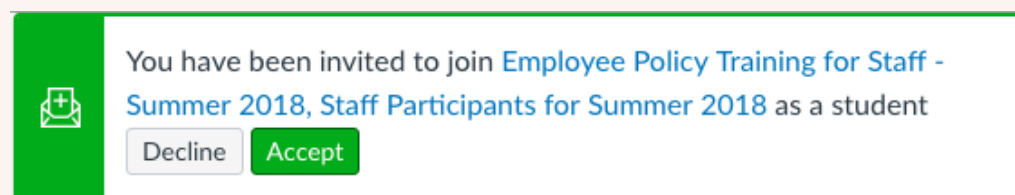

## Courses

Each course page will display assignments and announcements.

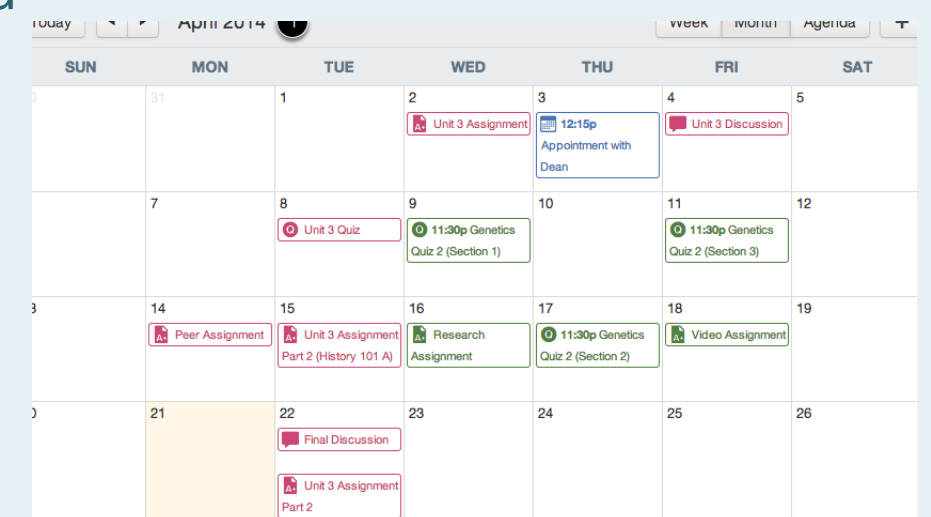

## Course Invitation

The courses will be displayed on the home page.

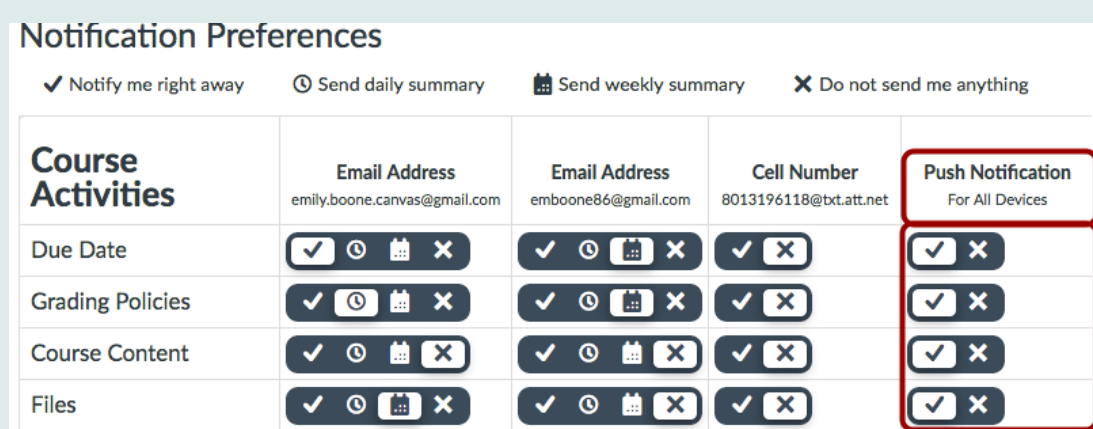

## Calendar

The calendar allows you to see when all assignments are due in the same place.

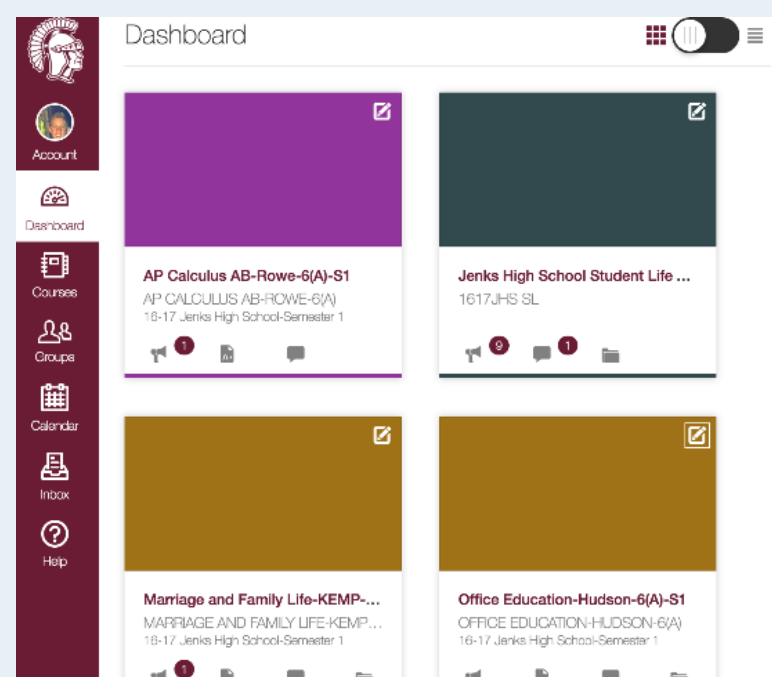

## Notifications

Set notification preferences to allow or prevent emails from canvas.

## Dashboard

All courses a student is taking will be displayed on this page.
